Section 3 – External Auditor's Report and Certificate 2024/25

In respect of **Georgeham Parish Council – DV0162**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2024/25

Except for the matter reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertion 2 has been incorrectly completed as the asset register was not reviewed during the year under review. This is consistent with the Internal Auditor's response to Internal Control Objective H. The smaller authority has confirmed it is in the process of updating it's asset register, the smaller authority should ensure that any amendments are corrected in the prior year comparatives when completing next year's AGAR.

Section 1, Assertion 9 has been incorrectly completed. The figures in Section 2 include transactions in respect of a trust fund due to the trust fund not having its own bank account and therefore the response to Section 1, Assertion 9 should be 'No'. The smaller authority should ensure that, where it acts as sole managing trustee, the trust has its own bank account and any minutes of meetings are maintained separately.

Other matters not affecting our opinion which we draw to the attention of the authority:

None

3 External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.
