Purpose	2
General procedure for employees	2
Councillor Expenses.....	6

Purpose

This policy sets out the Council's rules on how employees and councillors can claim for expenses incurred in the performance of their duties for the Council. The purpose of this policy is to ensure that they are properly reimbursed for legitimate business expenses and to ensure that these expenses are treated appropriately for tax purposes.

General procedure for employees

The Council will reimburse you for actual expenditure that is incurred wholly, necessarily and exclusively in connection with authorised duties that you undertake in the course of your employment. To claim for expenses, you must use the Council's expenses claim forms and set out the reasons why the expense was incurred on the claim form. If you are unsure whether an expense can be claimed, you must seek prior written authorisation from [the Clerk / the RFO / the Chair].

Expenses will not be paid unless supporting evidence is provided, together with a completed expense claim form. This should include original receipts or invoices with the date and time of the transaction (unless you are claiming for mileage). When claiming for travel expenses on public transport, you should enclose the tickets showing the departure point and destination of your journey, where possible. Credit and debit card statements will not be accepted. Where you are submitting a VAT receipt, you should set out:

- the name and VAT registration number of the retailer or service provider;
- the goods and services provided; and
- the amount of VAT payable.

Once completed and signed, you should submit your expense claim form to [the Clerk / your manager / the Chair] for approval. Once approved the claim form should be sent to the RFO for payment.

Expenses claims must be submitted within [30 days] of the expense being incurred. If this is not practical, written approval for any extension will be required from [the Clerk / your manager / the Chair]. The Council reserves the right to withhold any payment where prior written approval has not been given.

The Council may return an expense claim form to you without payment if it is completed incorrectly or lacks supporting evidence.

The Council will pay claims for authorised expenses by [cheque / petty cash / BACS transfer into the same bank account into which your salary is paid].

In general, you should not incur expenses other than in the categories listed below. However, if you have claims for expenditure other than for those categories listed below, you should seek written approval from [the Clerk / the RFO / the Chair] before incurring the expense. The Council will accept email as written approval where it is required in this policy.

Any queries in relation to this policy should be directed to the Chair.

Homeworkers

If you are a Homeworker, your normal place of work as stated in your contract will be your home. The council will reimburse all reasonable expenses incurred by homeworkers in the course of their duties upon receipt of satisfactory claims.

The council will provide the following equipment necessary to enable homeworking employees to do their job.

- Laptop or personal computer
- Printer

Alternatively, the council will agree with homeworkers a suitable sum to cover use of their own equipment.

The council should also pay the employee for the costs associated with heating, lighting, etc. HMRC rules allow for some of these expenses to be paid tax-free (see HMRC guidance: www.gov.uk/expenses-and-benefits-homeworking/whats-exempt).

Training

When attending training courses all employees and be able to claim travel expenses for the difference in the usual home to work costs. Where the training takes place outside contracted daily hours, part-time employees should be paid on the basis as time spent on training is working time.

Travel

Employees and managers should consider whether or not travel is necessary or if there are more appropriate means (for example tele-conferencing or video-conferencing).

Rail

You may claim for standard class rail fares only. Where possible, rail journeys should be booked well in advance to benefit from any discounts for early booking.

Use of your own car

It may be appropriate and cost-effective to use your own car when travelling on business, for example if you are travelling with other staff or councillors or, where there is limited public transport to your destination, or the journey time is significantly shorter than using public transport. Any use of your own car on business is subject to you:

- holding a full UK driving licence;

- ensuring that your car is roadworthy and fully registered; and
- holding comprehensive motor insurance that provides for business use.

Prior authorisation should be sought from the Chair in the case of the Clerk, before using your own car on business. The Council accepts no liability for any accident, loss, damage or claim arising out of any journey that you make on business. The Council will not pay for the cost of any insurance policy on your own car.

To claim for petrol expenditure, you should set out the distance of the journey undertaken on your expenses claim form. The Council will pay you a mileage allowance of [45p] per mile for mileage under 10,000 miles and [25p] per mile for mileage over 10,000 miles, or such other rate as set out from time to time by HM Revenue and Customs. The Council will pay for tolls, congestion charges and parking costs incurred, where applicable.

Use of bicycle or Motorcycle

If use of your bicycle or motorcycle is approved, you can claim a mileage allowance of [20p] or [24p] per mile respectively. Any use of your own motorcycle on business is subject the same requirements as a car (see above).

Taxis

Any use of taxis will require prior approval and only in limited circumstances. These are:

- where taking a taxi would result in a significantly shorter travel time than using public transport;
- where there are several employees travelling together; or
- where personal security and safety of employees is an issue, for example taxis may be permitted after 9.30pm.

You must obtain a receipt with details of the date, place of departure and destination of the journey.

Overnight accommodation

As a guideline for travel on council business you should book accommodation equivalent to three-star standard or less. You may book hotel accommodation of up to £120 maximum in a major city and £100 elsewhere. It is your responsibility to ensure that any hotel reservations are cancelled within the required cancellation period if they are no longer required.

Meals

If you are required to be away from home on council business, you may claim up to:

- £10 for breakfast (if this is not included in the hotel room rate);
- £15 for lunch;
- £20 for dinner; and

- a daily allowance of £5 per night for general incidental costs.

The maximum amounts above are inclusive of drinks. Alcohol cannot be reclaimed under any circumstances.

You should supply receipts and invoices for all hotel and meal expenses other than for the daily allowance, where no receipt is required.

Entertainment/gifts

The Council has strict rules about offering or receiving both entertainment and gifts. Any gifts, rewards or entertainment offered to you should be reported immediately to the Chair in the case of the Clerk. As a general rule, small tokens of appreciation, for example flowers or a bottle of wine, may be retained by employees.

Annual events

The Council may decide to hold a staff event, such as a Christmas meal or other celebration. Except where agreed to the contrary, attendance is not compulsory, and you will remain responsible for any expenses you incur.

Expenses that will not be reimbursed

The Council will not reimburse you for:

- the cost of any travel between your home and usual place of work (except in exceptional circumstances for early morning/late night transport as set out above);
- the cost of any travel undertaken for personal reasons;
- the cost of any travel for your partner or spouse;
- any fines or penalties incurred while on council business for whatever reason, including penalties for not paying for a rail ticket in advance of boarding the train and penalties or fines associated with motoring offences, including speeding or parking fines, clamping or vehicle recovery charges;
- alcohol; and
- cash advances or withdrawals from an ATM machine.

You are required to pay for any travel costs incurred by your partner or spouse in the event that he or she accompanies you on business. Your spouse or partner must have adequate travel insurance for that journey.

False claims

If the Council considers that any expenditure claimed was not legitimately incurred on behalf of the Council, it may request further details from you. The Council will thoroughly investigate and check any expenses claim as it sees fit. It may withhold payment where insufficient supporting documents have been provided. Where payment has been made to you prior to

the discovery that the claim was not legitimate or correct, it may deduct the value of that claim from your salary.

Any abuse of the Council's expenses policy will not be tolerated. This includes, but is not limited to:

- false expenses claims;
- claims for expenses that were not legitimately incurred;
- claims for personal gain;
- claims for hospitality and/or gifts without them having been declared; and
- receipt by you of hospitality and/or gifts from contacts that may be perceived to influence your judgment.

The Council will take disciplinary action where appropriate and, in certain circumstances, may treat a breach of this policy as gross misconduct, which may result in your summary dismissal. In addition, the Council may report the matter to the police for investigation and criminal prosecution.

Councillor Expenses

Members of Council attending training courses or other events which the Council has requested they attend as the Council's representative(s) may have their travel expenses reimbursed, provided that such expenses have been approved by the Council.

Mileage for travel outside the parish only will be reimbursed according to the HMRC approved rates in force at the time, currently 45p per mile for private vehicles.

The Council will reimburse Members for reasonable expenses wholly, necessarily and exclusively incurred in connection with its business, provided that such expenses have been approved by the Council.

All expense claims must be made promptly (within 2 months of expenditure being incurred) to the RFO and MUST be accompanied by receipts. VAT invoices should be obtained where relevant.

Where there is a compelling business reason, Councillors may be reimbursed for purchases made on behalf of the Council. Orders should be placed in the name of the Council if possible and a VAT invoice obtained.

Payment of expenses claims is subject to approval by the Council.

Value Added Tax

Although Councillors are elected members of the Council they are, for VAT purposes, treated as an employee when carrying out their official duties. As a result any VAT incurred in the course of their official duties can be recovered subject to the following conditions:

- the Council accepts responsibility for the actual expenses incurred and includes them in its normal accounts
- the goods or services are ordered in the name of the Council where possible and invoices are addressed to it, and
- adequate documentation is retained to support the claim for refund of the VAT.

This is a non-contractual procedure which will be reviewed from time to time.
